Hello

Please also let me know how many will be calling in. Will all the PADEP folks be on 1 number? As soon as you know please let me know so that I can make sure we have the right equipment in the room. It is unfortunate that no one from PADEP can be here in person. peg

I just heard back from PADEP that they cannot come to the meeting in person, however they have requested a conference line if available.

Shawn has left PADEP, so we have a new technical contact. See below.

Hi Lisa, I will be working on the Reading case, along with Victor Landis from the Clean Water Program. Due to a scheduling conflict, we cannot make it in person to the meeting in Philly on Wednesday but would like to participate via conference call. Do you have a number that we should call for the meeting? Thanks. Regards, Beth
